Reaching for the Stars

TEACHING youth the delights of music is like giving him or her a magic carpet to the stars. For music has the power to lift the soul to higher levels; to transport one to the realms of pure delight; to allow us earthbound humans to experience sheer ecstasy.

How important it is then that we cultivate an appreciation of music. How paramount that we allow youth to learn an art that will give such pleasure in the years to come—an art that is the finishing touch to the complete and cultured citizen.

orders when he signed his name to the document. He was in a room at the Hotel Vancouver, where he was staying, and he was surrounded by a large number of people, including the Prime Minister and the Governor-General.

It is of interest to recall, today, that in the war of 1914-18, when the Canadian people were called upon to make sacrifices and to support the Allied forces, the Prime Minister, Sir Robert Borden, was a man of great courage and leadership. He was a man who was not afraid to stand up for his country, and he was a man who was not afraid to make decisions that were unpopular.

It is our hope that, during your tour in Canada, you will be able to see the many monuments and statues that are dedicated to the memory of the men and women who served their country with courage and sacrifice. It is our hope that you will be able to see the many places that are still full of the spirit of the war, and that you will be able to see the many people who are still proud of their country and of their history.

When your BACK ACHES...

Backache is often caused by poor sitting posture. The back is a very important part of the body, and it is very easy to injure it. If you are sitting at a desk or at a typewriter, make sure that your back is straight and that your feet are flat on the floor. If you are standing, make sure that your feet are shoulder-width apart and that your weight is evenly distributed on both feet.

It is also important to take regular breaks from sitting or standing. Get up and walk around for a few minutes every hour. This will help to keep your back muscles strong and healthy.

If you are having back pain, it is important to see a doctor. There are many treatments available, and a doctor can help you to find the one that is right for you.

shadow government which has been recognized only by Mexico and Poland among the council members, merely said the document came from within the Spanish border.

"SPAIN NOW HAS an army superior to that of France numerically, and perhaps in the quality of its armament," he said. "I am sure this document will be presented before the United Nations Security Council."

He said the information contained in the document showed that 400,000 Spanish soldiers are poised on the French border of the Pyrenees.

De Los Rios said severance of diplomatic relations with Spain by all of the United Nations collectively would, in the opinion of Spanish Republicans, bring about Franco's downfall.

HE TOLD NEWSPAPERS that the document had been seen by the French government. Henri Bonnet, French delegate, was instructed by his government yesterday, it was reported from Paris, to support the French position for United Nations action against Franco.

De Los Rios flew to the United States from Paris to meet the Spanish Republic side.

The Security Council will remain in recess until Monday when both the Russian-Romanian and the Spanish positions are on the provisional agenda.

out into the open, where they are easily dealt with.

I CAN ASSURE the people of Alberta that it will be the determined purpose of the government of Alberta to expel the latest attempt on the part of the federal administration to force the people of Canada into an economic straitjacket where free speech and free thinking will be the privilege only of those who are willing to accept the terms of the straitjacket.

On March 2, G. C. W. Brown, assistant controller of radio wrote to Walter Blake, manager of station CKUA, and advised that the governors of the Canadian Broadcasting Corporation had not recommended favorably on the application made by the station for the construction of the \$50,000 watt plant at Red Deer.

No reason for the refusal of the board to accept the application was given, the letter concluding with the statement that "under the circumstances the department is not prepared to deal further with the matter."

ONE WEEK LATER, on March 9, Mr. Fallow wrote to Hon. Dr. J. J. McCann, minister of transport at Ottawa and pointed out that the Alberta government was "viciously entitled to know the reasons which enabled the Canadian Broadcasting Corporation to arrive at this decision."

In reply Dr. McCann reported that the Canadian Broadcasting Corporation only makes recommendations to the licensing authority and said that he had suggested to that authority that the Alberta government give the requested information.

A further letter to Mr. Blake from A. D. DuPont, Ottawa, told the station manager that letters written by Mr. Blake requesting the August, 1945, decision of the board refusing the station a public commercial license be reviewed. He had not disclosed sufficient grounds for a change. At that time the board had decided to defer a period of at least two years further consideration of the application. It remained firmly in that position, Mr. DuPont's letter informed.

ON APRIL 5, the final letter in the series was sent from Ottawa by Hon. C. D. Howe, minister of reconstruction, who said that the question had been referred to his

duty of this country toward the nations which have been weakened by the death struggle against tyranny.

For these principles of international co-operation, Mr. Truman declared, "we are determined to fight with all our strength."

MR. ROOSEVELT'S domestic policy, he continued, was "a recognition of the basic truth that this government exists not for the benefit of a privileged few but for the welfare of all the people."

Mr. Truman declared that plain people all over the world join with leaders and statesmen in recognizing that it was largely because of Mr. Roosevelt that civilization has survived, and added that "his history can do him full justice."

"We recognize, above all," Mr. Truman continued, "that our hope for the future of civilization, for the future of the world, lies in the success of the United Nations. He not only recognized these things, he demonstrated that he was doing them. And he did."

"His foreign policy called for fair, sympathetic and firm dealing with the other members of the family of nations, and the United Nations recognized our obligation to the starving and homeless of other lands. And he did."

"The late president saw clearly," Mr. Truman said, "that we cannot

The Bulletin's SPORTS GROW by Hal Dean

JIM ARNOTT of Winnipeg, who refereed in the United States Hockey League this season, reports Bob Trapp, former Edmonton Eskimo, is prospering in Omaha, Neb. Bob Trapp had been recruited to play defense with "Foes Joe" Simpson for the Eskimos in the old Western Canada pro loop which flourished in the twenties.

After leaving Edmonton in the fall of 1925, Trapp played with Portland, but later went east and eventually wound up as a referee. Arnot was still chucking in Winnipeg last week over one of Bob's officiating experiences as related by Robert himself just a few days before.

It appears that after handling a game in Omaha some years ago, Trapp had managed to squeeze into the back seat of a cab for the Journey back to his hotel. But about a half block away from the risk the driver suddenly threw on the brakes and pulled over to the curb.

Turning around and pointing a menacing finger at Bob, the taxi man demanded, "Say, aren't you the fellow who refereed that game tonight?" And the affirmative answer immediately brought, "Well, get out of here, you're riding in this car!"

Bob admitted he finally reached his hotel, but only after having several other taxis.

ALBERTA CURLERS will honor Billy Rose and his Canadian championship quest for the title at the Macdonald tonight. Complimentary dinner of the Alberta Curling Association which starts at 7 o'clock, is being tendered Billy and the other members of his rink, Bartley Swain, A. P. Smith and George Crooks. Secretary Jim McCool says that provision was

Play A and N Cubs Tonight Sunland Ousts Highlands From City Pee-Wee Playoffs

Sunland purchasers, winners of the Edmonton Athletic Club championship, won their way into the city Pee-Wee final Thursday night when they defeated Highlanders, Canadian Athletic Club titleholders, 6-5 in a sudden death semi-final at the Arena.

The Sunland team opened up strong and ruffled in five goals before Highlanders began to get rolling late in the opening canto to end the first, making it 5-1 at the end of the first.

Sunland got the first of the second period to go ahead 6-1, but from then on the Highlanders set, idle for some time since they finished up their own league, kept up their stride for a while and the winners scoreless for the remainder of the contest while they got their feet back in the game, two in the second and another pair in the third.

George Storgy was the two Babe McAvoy, Joe Bonnyman, B. Hottel and K. Troughen. Petted the Sunland goal while the Highlanders markers were tallied by Pat McNeill with two, Peter Walker, Bill Hopping and Cecil Smith.

**Morton's Unable
Use Top Players**

Coaches Tommy McClellin and Bob Scott of Morton senior girls basketball club, Edmonton, representatives in the Canadian play-off series in the hands of the refusal of the Canadian Amateur Basketball Association for the use of Y. Vel and June Casagrove of the University team, in the coming series with Vancouver.

Morton met the Vancouver Heludians at Westgren gym here on Feb. 20, 22 and 23.

THE COACHES CLAIM they had the list of seven players, as required, in the hands of the Amateur Basketball Association president, Del Wood of Cardston, Jan. 3, and then filled out forms for their entire team (Casagrove and Hottel included) before Feb. 3, also as required.

This, Scott and McClellin, believed to be sufficient to make their team eligible. They were not informed until just recently, however, that they were also required to file in other forms to be mailed to the Canadian Amateur Basketball Association head, Charles MacLaughlin of Vancouver.

SINCE IT WAS FOUND OUT that further forms were to be mailed to the CABA, Scott demanded that the team be allowed for his regular team, but was still refused permission to use Hottel and Casagrove, who were regular members of the University quintet during the regular season. "We could have had them (Casagrove and Hottel) signed at any date," says McClellin.

Despite all this, the co-coaches are confident they will give the strong Vancouver club, western champions, a real battle. The outcome of this series then meets the Saskatchewan champs and the final winner opposes the Manitoba representatives in the west final.

**Ladies' Curling
Final Suggested**

WINNIPEG, April 12.—(CP)—The idea of Dominion curling finals for ladies was set up at Wednesday night's meeting of the Manitoba Ladies' Association and met with general approval.

Although still only in the talking stage, clubs at Fort William and Brandon are in accord with suggestions for an annual Canadian championship among teams representing all the provinces.

The suggestion came up in letters from the Fort William and Brandon organizations and it is intended to discuss it further with the Manitoba Curling Association.

Wagner and Bacon Stop Opponents In North Alberta Finals

Two TK's Feature Amateur Boxing Card

13 Fighters Now Journey To Cardston

By DON MULLOCH

Boxing fans jammed Memorial Hall Thursday night to watch the final eliminations for northern Alberta's 13-man amateur team which will fight for the provincial championships at Cardston, April 19 and 20. The large crowd saw a thrilling 11-bout card, highlighted by two technical knockouts.

Time rolled back to 1941 for members of the Edmonton Fighters when they saw their former battalion champion, George Wagner, climax the excitement when he stopped Len Walters in the wind-up to post the second technical knockout of the evening.

Wagner, who won the Canadian Amateur light-heavyweight title in Amsterdam, Holland, last September, took the offensive in the first round and stopped Walters in the second round.

By way of "Maybelle," a B. C. later added, "I was once asked to referee a boxing match at Johnstown, Penn., a few miles from where I was born. I was in 1892. I've never seen a fight like this one, but I got the urge tonight."

THE EVENING'S HONORS for stamina and ability went to Jim McDonald and Hub Bacon who each fought two fights and won both of them.

Recent winner of the Intermediate school welterweight championship, outpointed Alex Morozkin and Dave McNeil successively in two hard-fought scraps.

The second Bob Bacon posted a clean-cut decision over Walter Wark, who added glory to the evening by knocking out a TKO over Ernie Wilbury.

Hughie MacDonald displayed the sharpest left jab of the evening, knocking out the easton, yet punishing attack of a seasoned campaigner as he took an easy decision over Don Booker.

GEORGE MAZUREK emerged as the victor in the lightweight bout by taking a decision over Bob Duffy. Throughout the scheduled five rounds Mazurek kept hitting his clever opponent about the heart with a crashing right hand.

In the lightweight novice class Billy Gow and Randall Murray faced a slugfest that had the fans on their feet for the four rounds.

Both fighters were good counter-punchers but Gow displayed ring wisdom seldom found in an amateur. He consistently threw hard hooks to the body. A boxer can throw off a lot of punishment taken in his head while resting between rounds. He can also duck and weave past many blows aimed at his chin but his body is a near-sighted target and the effects of the mile from the ribs or stomach is more lasting. Gow exploited the fact fully with a pleasing scientific exhibition.

SLENDER, QUICK-MOVING Norval Ludwick took a decision in six races.

"Tears Down" Goodwill U.S. Govt. Wants Baseball End Squabble With Mexico

By BUS HAM
WASHINGTON, April 12.—(AP)—A state department official said Thursday the United States government "wishes baseball would show some indication of a desire to clean up" differences with the Mexican League.

Controversies over American players entering into agreements with Mexican League officials are injuring relations with "one of our oldest and best allies," said the official.

Newspapers accounts of instances involving Mickey Owen, Brooklyn catcher, and Vern Stephens, St. Louis pitcher, when they only injure relations with "one of our oldest and best allies," said the official.

Baseball is making it tough on the official said. "We try to build up goodwill and this sort of thing is a down."

"THE MEXICAN government certainly will be angry over such statements as those attributed to Stephens that bigshots down there go around with sack-shooters on their hips. Stephens' only real complaint from what appeared in the papers, was that he didn't feel at home there.

"We carry on other sports activities with Mexico in amateur, school and college fields with no difficulties, but this baseball squabble may make it embarrassing to continue those associations."

Commissioner A. B. (Happy) Chandler, said at Cincinnati "the state department has enough to do without meddling in baseball."

American organized baseball has given the Mexican League every chance to co-operate with our league, but the only answers we have received have been challenges in the newspapers and

First Game Saturday Fans Supporting Monarchs Talking With Real Money

TORONTO, April 12.—(CP)—Winnipeg Monarchs, the junior hockey champions of western Canada, arrived Thursday for the Memorial Cup final against Toronto St. Michaels opening Saturday, and were accompanied by a number of stout Winnipeg fans prepared to bet any money that Monarchs could beat the eastern titleholders.

One of the Winnipeg fans had \$4000 in cash to back up his belief and was overjoyed when he found the odds were two to one against the Monarchs in the first game.

"Don't sell us short," this fan warned. "This is the best team Winnipeg has sent east in 15 years. They're fast, skate like fiends, they're bruising, and they're going just as hard in the third period as in the first two."

There were 37 players on the Winnipeg roster with coach Walter Monson. Monson was not doing any boasting, but he did say: "We're better than we were at Christmas. We're sharp right now, and I'm not worrying about their performance. They'll do all right."

St. Michaels, who knocked off Ottawa to win the Memorial Cup, had a record of 10-1-1 in the OHA Junior title and then beat Montreal Canadiens in the eastern final, weren't making any predictions.

Joe Primeau, St. Mike's coach and former NHL star with Toronto Maple Leafs, was at the station to greet the Winnipeg team, along with other St. Michaels officials.

The Winnipeggers were expected to get their first workout Friday.

O.C. Soccer Junior Cage Final Here on Saturday

Y.M.C.A. Tullers and Calgary Bombers meet in the provincial junior basketball final at Westgren gym Saturday night. This will be the second of a two-game series, in the first of which Tullers gained a two-point lead.

Immediately prior to the Toilett Bomber game, and starting at 7 p.m., Latter Day Saints of Calgary play Edmonton Vets in their intermediate playoff.

Latitude is said to have been first determined by Hipparchus of Nise, about 150 B.C.

Increase In City Tram Fare Under Review by Committee

The utilities committee of city council Thursday afternoon discussed the possibility of increasing street railway fares to make it possible for the Edmonton street railway system to meet operational costs without subsidy from the other utilities.

FOLLOWING A LENGTHY discussion the committee decided to lay the question on the table until the notice of motion given at the last city council meeting by Ald. A. Blase, K.C., is before the committee. This motion calls for a complete review of the utilities operations.

The question of increased fares came before the committee in a communication from the Edmonton Taxpayers' Protective Association in which it was suggested that the five utilities should "carry themselves, and show a substantial profit at the end of each year."

P. W. Raro, secretary of the association, told committee members that the association, on two previous occasions, had urged the increasing of street railway fares. COMMISSIONER John Hodgson concurred in the view expressed by the association that the five city-owned utilities "should stand on their own feet." He said street railway fares should be increased, adding that the average fare for the Dominion was 82 cents, and in Edmonton the average fare was 48 cents. He suggested a return to the four-for-35-cents fare structure.

Mayor Harry Ainlay said he was absolutely opposed to the increase being made this year. "When new services are installed and citizens are getting more for their money I might be in favor of increasing the fare, but I am certainly not in favor of any increase in the meantime."

Ald. James H. Ogilvie said there had not been any agitation against the four for 35 cents fare rate until certain persons, for political reasons, made the street railway fare structure a political issue.

"SOME STORES defeated our purpose when we had the street car fares at four for 25 cents, or 30 for 81," Mayor Ainlay stated. "The stores bought tickets in quantity and then sold them to their customers at five cents. This defeated our purpose." Commissioner Hodgson agreed with this statement.

Ald. J. Munro said that "if we should decide to raise the fares to four for 25 cents, then we could sell 18 tickets for 45 cents and that would probably put a stop to the deal given by the stores." Commissioner Hodgson said that under the city charter there is no power to increase fares to 45 cents, and said "why not raise the fares to four for 25 cents and let those people in the outer zones who are not as wealthy as those in the inner zones? I cannot see how we will be able to give the services they are looking for under the present fare structure."

Swap 2,000 Smokes For Two Weeks' Meat

DUNDALK Ont. April 12 (CP)—A group of RCMP men stationed in London, Ontario, have been given the go-ahead by their superiors by trading 2,000 Canadian cigarettes for a half, Sgt. James Lachen of Vancouver said yesterday.

The soldiers made the deal with a German farmer. The deal provided the unit with a two-week supply of meat, he said.

Rotary Entertains Young Competitors

Dinner and entertainment at the Macdonald hotel Thursday followed by a bus tour of the city and visits to the Swift Canadian Company packing plant and the Great West Garment Company, was the experience of 45 youthful boys' and girls' classes in the Edmonton Spring Stock Show, with the Rotary club acting as host.

THE MEETING was addressed by Dr. R. D. Sinclair, dean of the faculty of agriculture, University of Alberta. Lloyd Wilson, chairman of the day, announced the winners and awarded the prizes for the Rotary judging competition. They were:

Bill Horsford, Edmonton; David Shantz, Wetaskiwin; Howard Brown, Tofield; Varden Lawrence, Fort Saskatchewan; Gerald Andrews, Bremner and Frank Higney, Bon Accord.

Among the guests were the top winners in various competitions at the Spring Stock Show. They were: Lawrence Kallal, Tofield, whose steer won the grand championship; Bert Shantz, Wetaskiwin, grand champion for baby beef; George Gibb, South Edmonton, dairy calf grand champion; Davis Armstrong, Rochester, first honors in the judging competition for girls; and Ron Goegelin, Tofield, who won the judging competition for juniors from 10 to 15 years of age.

THE YOUNG GUESTS as well as Rotary members exhibited lively appreciation in a clever performance of magic by Frank Herman. Five out of six Rotary members were re-elected to the board of directors for one year. They were: Frank King, C. A. Blair, Clark Ready, D'Arcy McLeod and A. E. Ormsby. The sixth, a newcomer to the board, replacing R. W. Greene whose term expired, is Allan McTavish, principal of the McTavish Business College.

Directing his remarks particularly to the boys and girls attending the meeting as guests, Dr. Sinclair emphasized the work and the growing importance of the Food and Agricultural Organization, which, as part of UNRRA, was destined to play an ever growing part in the lives of everybody.

Canada was literally "sweeping out the granaries" to find every available ounce of food exportable to the semi-starving countries of the world, he said.

"IN THE UNITED STATES we have the FAO to act as our watchdog over food supplies," he continued, "not for the purpose of depressing prices but to see that a continuous supply of foodstuffs is on hand for distribution where it is needed."

He told the Rotary audience that the experience of history and especially of the recent war, emphasized that any future plan required a legitimate cryover of food, especially of the non-perishable kind, such as cereals and canned goods. He said in respect to this that the 70 billion pounds of carbohydrates that Canada at the outbreak of war were instrumental in keeping up the level of our domestic supply throughout the six war years.

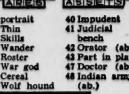

"The FAO is a great experiment in international affairs in connection with human affairs, and I urge everybody and especially the boys and girls to follow its development closely," he said in conclusion.

The ROAD AHEAD

By HARPER PROWSE, M.L.A.

THE special parliamentary committee on veterans affairs is still working hard at Ottawa. And the most recent of their decisions, affecting the Veterans Land Act, will earn them the thanks of many an ex-serviceman, and the endorsement of all those who are interested in the welfare of the FIRST CHANGE, which the country's fighting men will be put into effect by order-in-council gives the minister discretionary power to extend the benefits of the VLA to veterans of two wars who still owe debts to the Soldiers' Settlement Board. This will bring a fervent "thank you" from many an "old aviator."

Up until the present any veteran of both wars who still owed any debts to the Soldiers' Settlement Board, was barred from participating any benefits under the Veterans Land Act. This not only meant

WARNING Regarding SHOOTING NEAR POWER LINES

During recent months excessive damage to our lines and equipment has been traced to indiscriminate use of rifles, frequently in the hands of minors. This damage has resulted in serious interruption of electrical service to hospitals and other important consumers.

The extent of this damage and the interruptions to our service have compelled us to request the Royal Canadian Mounted Police to apprehend and prosecute the offenders. In this connection we wish to remind parents that they are financially responsible for damages caused by minors.

The penalties provided for damage of this type are indicated in the following excerpt from the Criminal Code of Canada:

Section 521 of the Criminal Code

- Every one is guilty of an indictable offence and liable to two years imprisonment who wilfully—
 - destroys, removes or damages anything which forms part of, or is used or employed in, or about any electric or magnetic telegraph, electric light, telephone or fire-alarm, or in the working thereof, or for the transmission of electricity for other lawful purposes; or
 - prevents or obstructs the sending, conveyance or delivery of any communication by any such telegraph, telephone, or fire alarm, or the transmission of electricity for any such electric light, or for any such purpose as aforesaid.
- Every one who wilfully, by any overt act, attempts to commit any such offence is guilty of an offence and liable, on summary conviction, to a penalty not exceeding fifty dollars, or to three months' imprisonment with or without hard labour.

Three Dog Shows Are Planned Here

The Associated Canine clubs of Edmonton will hold three dog shows at the Prince of Wales Armory April 22 and 23, namely the English Bulldog club of Western Canada, on April 22, secretary Mrs. Margaret Main, 8124; The English Cocker Spaniel club of Alberta, April 22, secretary John S. Grant, phone 2309; the Edmonton Kennel club, all-breed show, April 23, secretary Mrs. Mary D. Gardiner, phone 2137.

Indications are that this will be the largest show ever held here with entries coming in from as far as South Carolina, California, Washington, and from many parts of Canada.

An entry of about 10 Shetland sheep dogs is expected from Idaho, U.S.A.

Wherever children are playing along the streets extra caution on the part of motorists is necessary for the protection of the kiddies against accident. Slowing down for a few hundred feet should cause you no great inconvenience.

ROAD REPORTS

Roads are very rough at Lac la Biche, and rough at High Prairie; the roads at other Central and Northern Alberta points are drying fast and they are all reported fair to good.

They're Getting Ready For the Big Easter Parade

The big Easter Parade is beginning to form. Palm Sunday is almost here and a week later, April 21, Easter Sunday will be celebrated. There is bustle on all sides as Mr. and Mrs. John Citizen get ready for the big event. And city stores are preparing to accommodate the rush for wearing apparel, chocolate eggs, cloth bunnies and other commodities appropriate to the season. Above is a typical scene in a big city store as a window is dressed for the occasion. Elmo Van Velzen, one of Edmonton's best at the business, is up on the ladder, while below is Ernie Pears. Between them they seem to be making a good job of the task on hand.

City Man Accepts Colombia Position

Two years will be spent in Colombia's oil fields by an Edmontonian, it was learned on Friday morning when it was announced that Horace Voigt, son of Mr. and Mrs. Voigt, Case Loma Apartments was leaving on Saturday by aircraft for the Latin American country.

Young Mr. Voigt spent two years in the navy, sailing in corvettes, before his recent demobilization. It is said that he will arrive in South America just a little more than 24 hours after he leaves here. He will be working with the International Petroleum Company there.

Accused to Face Second Charge

Alex Kuwica, Hill district farmer, who is on trial in supreme court before Mr. Justice Clanton J. Ford on a charge of retaining possession of stolen goods, the property of the Canadian government, is now facing a second charge of failing to disclose possession of goods, the property of the crown.

IN A SEARCH of the accused's home at Hill on Dec. 21 last numerous articles of clothing, knives, forks, spoons and dishes, blankets and other articles, were discovered by RCMP and Provost Corps officers.

So numerous were the articles

that the entire hearing Thursday was occupied in placing them in evidence and identifying them as government property.

Suspect Is Held In Robbery Case

City police have arrested a suspect in connection with the robbery and assault of Alvin Kaiser of Winfield, in a city lane on March 13. The suspect, whose name was not revealed, is believed to be one

of three men who beat up Mr. Kaiser and stole his watch while he lay helpless on the ground. Two other men, Edgar Dumont and Peter Brule, were committed for trial before the supreme court on March 26.

Constable S. L. Edmunds arrested the new suspect early Friday morning. He is being held for questioning.

At Train's Throttle

Visiting City

ENGINEER ALEXANDER slammed open the firebox, read his orders, blew two blasts on the whistle and prepared to pull out for the 20-mile run from Mont Joli to Rimouski, Que.

Photographers asked for a picture and the governor used a big hunk of waste to wipe off his hands and gave the cameras a wide-eyed, pleased grin.

HE STARTED THE TRAIN and

The photographers and reporters jumped from a perch on a nearby box car and ran for their cameras, scrambling in a heap as the train gathered speed.

The conductor, seeing some were going to be left behind, pulled the record and Engineer Alexander brought his charge to an easy stop. All on board, he started again with four minutes to make up.

He pulled into Rimouski on the dot, startling a welcoming crowd who didn't at first recognize him in the traditional blue denim overalls of an engine cabman.

Canada, who was an Edmonton visitor Friday. A guest at the Macdonald hotel, he was met on his arrival by local officials of the league. On his way to Western Canada, he attended the 29th annual meeting of the league in Calgary last year.

Official recognition of the work of Cpl. B. Peck, RCMP in conducting first aid classes in Edmonton was made Thursday afternoon when W. J. Bennett, Ottawa, Dominion commissioner of the St. John Ambulance Brigade presented the popular "non-com" with a veltum of the Order of St. John. The ceremony was held at the "K" divi-

DOROTHY DIX SAYS—

Woman Overlapping In Hounding Man

Man of Her Dreams Does Not Make Much Money and Has Been Heirloom in Making Love

So Girl Proposes

DEAR MISS DIX: I have met the man of my dreams and I want to marry him. He doesn't make much money and has been heirloom in making love to me and I thought it was because of financial reasons. So, I finally proposed to him and he didn't say "yes" or "no." He only wanted time to think it over. Several times I have been real persistent and raised my temper begging him to say "yes." I am not in doubt that he loves me because I know he does, and now I think he is just afraid to get married. How can I make him really want to get married?

D. A. L.

ANSWER: Well daughter, there are certain unwritten laws of conduct by which men are bound. One is that when a man asks a girl to marry him, he declines, he accepts her decision in a sporting spirit and turns his attention elsewhere. He doesn't make her life miserable with his importunities. Now that women are doing the courting and popping the question they should respect the same traditions.

YOU HAVE told this man that you love him and want to marry him, and either because he doesn't want you for a wife, or he feels that he is not in a financial position to marry, he has virtually said "no" to you. At any rate, he is stalling for time, and no ardent lover does that.

Also, in being so persistent and practically trying to hound this man into marrying you, you are taking the worst possible way of getting him, for men still like the illusion that they are the pursuer and not the pursued in the love chase.

You say that you think the young man is afraid of marriage. Perhaps it is that he is afraid of you, because you have given him the right to believe that if he marries you, you would be so determined to always have your own way and what you wanted. You would dominate him and snuff out the life of him.

I use it, your best play is to drop your loving for a while. Leave him alone. Let him think you have gotten over your infatuation. If he thinks he has lost you, he may make up his mind that he loves you more than he thought he did.

DEAR DOROTHY DIX:—I have a neighboring family with four children, the oldest being four years old. They are dirty and uncared for and have no home training whatsoever. They do not even have proper food. The parents are always on the go and the children sponge on

the neighbors, always begging for food. The five-month-old baby is fat and it is nauseating.

What can I do to rid myself of these pests?

NEIGHBOR.

ANSWER: You can report the case to the Society for Prevention of Cruelty to Children and it will see that the youngsters are better taken care of. Possibly that way the parents so mad that they will move out of the neighborhood.

BUT PEOPLE who permit themselves to be victimized, as you are, deserve little sympathy. For if you had any courage and backbone, you would simply look your sponging neighbors out of your house and sell them frankly that they are not welcome. When we are the victims of deadbeat, it is our own fault.

DEAR MISS DIX: I am a teenage girl in love with a married man who has a sweet wife who believes in him and I am afraid my love for him will find out about it. I don't want to let go with anyone else.

What can I do? I can't give him up and I can't have him.

GAIL.

ANSWER: You can use a little common sense. And if you will add to that trying to follow the Golden Rule, you will have your problem solved in a jiffy. Your common sense will tell you that having an affair with a married man will ruin your life and is bound to end in disaster. You are wasting your youth on a man who can't marry you and who will keep every other man from marrying you, and you will be left with nothing but bitter regrets for having done this.

And the Golden Rule will tell you to treat other women's husbands as you would want them to treat yours, if you had one.

Why Grow Old?

Q. "I HAVE TWO deep furrows between my eyes and no amount of sleep seems to erase them. I think I grow in my sleep so deep that once you said to cover the line with adhesive tape, I do this."

A. If you frown in your sleep this must be a very stubborn habit and you probably also grow old unconsciously during the day. Try to relax and be less tense and worried. Rid yourself of the habit.

Your Baby And Mine

One prospective mother asked questions which indicate plainly that someone has been stirring her with nonessential warnings.

"How long a walk I take" she writes, "when I am pregnant is harmless to me? How can I keep my baby looking nice?"

Any walk which doesn't result in distressing fatigue is a good walk to take. If you are used to taking daily exercises then take the same ones during pregnancy.

Ask Full Probe Of Civil Service

OTTAWA, April 12.—(CP)—A bill for a complete review of civil service affairs by a Royal Commission was proposed to the government yesterday in a brief presented by the Civil Service Commission.

A delegation from the Federation, headed by V. C. Phelan, president, presented the brief before House Speaker M. J. Macdonald at another meeting of the Senate Civil Service Commission.

The Civil Service Commission was criticized by Senator Arthur Meighen (Liberal) who termed the commissioners "the Crows of Canada" who were "doing exactly as they like and are apparently responsible to no one."

Senator Charles Bishop (Liberal) at the same meeting while a Royal Commission was investigating salaries of civil servants there was need for a review of the salaries paid those in junior positions.

The Federation asked removal of present restrictions on the reclassification of positions, granting full cost-of-living bonus to employees, and the use of civil servants to temporary civil servants being laid off and reinstatement of civil servants who resigned to join the armed forces after having been released from active service.

Miss Goddard Becomes Bride

St. Paul's church was the scene of a double wedding ceremony Thursday at 8 p.m., when Miss Frances Grace Goddard, only daughter of Mr. and Mrs. Frank Goddard of Edmonton, became the bride of L. Edward G. (Ted) Smith, R.C.N., elder son of Mr. and Mrs. George Tarham, also of this city. The Rev. W. M. Nainby officiated. Mrs. Fred White played "I Love You Truly" on the violin during the playing of the register. Entering the church arm in arm with her father, the bride wore a white sheer gown, fashioned with a sweetheart neckline and bishop sleeves. She carried a white Bible trimmed with white satin streamers and red roses. Her only jewelry was a pearl necklace, a gift of the bridegroom.

MRS. D. L. CODDARD, sister-in-law of the bride, was matron-of-honor. She wore a pale pink dress with shoulder-length sleeves and a fitted bodice. Her bridesmaid, who carried a nosegay of spring flowers, wore a white dress with a fitted bodice and a full skirt. The bridesmaid and ushering the guests to their seats were Nell and Ralph Goddard and Jack Sanders.

After the ceremony, a reception was held at the home of the bride, where the bride's mother, receiving with the bride's party, were a green and white wedding cake and a tiered wedding cake and a tiered wedding cake and a tiered wedding cake.

The couple is spending a honeymoon in Calgary, and for traveling, the bride donned a black dress with contrasting black accessories. Upon their return they will take up residence in Edmonton.

MARRIED IN CALGARY

Louis Davies Hyndman, KC, and Mrs. Hyndman, the former Muriel MacKintosh Dodds, daughter of Mrs. W. C. MacKintosh, Edmonton, and the late William MacKintosh, who were married in Calgary Friday at 11 a.m. with the Rev. C. A. Lawson officiating. The bridegroom is a son of Mr. Justice J. D. Hyndman and Mrs. Hyndman of Rockliffe Park, Ottawa, and a grandson of the late Sir Louis Davies of Prince Edward Island, who was first chief justice of Canada. After a honeymoon at the Pacific coast the couple will be at home in Edmonton early in May.

Louis Davies Hyndman Weds Muriel M. Dodds

CALGARY, April 12.—(Central)—United church, Calgary, was the scene of a wedding of interest to Edmonton and Ottawa, Friday at 11 a.m. when Muriel MacKintosh Dodds, daughter of Mrs. W. C. MacKintosh of Edmonton and the late William MacKintosh, became the bride of Louis Davies Hyndman, KC, son of Mr. Justice J. D. Hyndman and Mrs. Hyndman of Rockliffe Park, Ottawa, formerly of Edmonton. The Rev. C. A. Lawson performed the ceremony.

GEORGE M. Spargo, Calgary, gave the bride in marriage. She wore a grey tulle three-piece suit, white hat trimmed with gardenias, and black accessories. A corsage of gardenias completed her ensemble.

Mrs. Keith W. Miller, Edmonton, was matron-of-honor. She wore a white suit, black accessories and a corsage of pink roses.

James Edward Hyndman, Ottawa, was best man. Mrs. MacKintosh chose for her daughter's wedding a midnight blue ensemble, grey hat and accessories and a corsage of pink roses.

Mrs. Keith W. Miller, Edmonton, was matron-of-honor. She wore a white suit, black accessories and a corsage of pink roses.
